THE POSITIVE GOVERNMENT SECURITY LIFE ASSURANCE COMPANY LIMITED.

—:o:—

HEAD OFFICE: LONDON, 34, CANNON STREET, E.C.

With Branches at Bombay and Madras, and Agencies at the Chief Cities in India.

Net Assets on 31st December, 1882, £294,085-18-4.

CALCUTTA BRANCH.

DIRECTORS:

J. MURDOCH, Esq., Messrs. W. Moran & Co., Calcutta.
W. F. AGNEW, Esq., Barrister-at-Law, Calcutta.
WALTER GRAY, Esq., Calcutta.

TRUSTEES FOR POLICY-HOLDERS:

THE OFFICIAL TRUSTEES OF BENGAL, MADRAS, AND BOMBAY FOR THE TIME BEING.

BANKERS:—AGRA BANK.

MEDICAL EXAMINER:—SURGEON-MAJOR D. O'C. RAYE,

(Who will examine applicants for Assurance, at his residence, No. 9, Harington Street, daily, except Sundays, at 10 to 11 A.M.)

THE POSITIVE SYSTEM.

Offers a new and easy method of effecting Assurances on Lives for any amount, from Rs. 500 and upwards, on most advantageous terms.

The leading features are:—

1*st.*—Undertaking Life Assurance only, and not combining with it the more hazardous and less remunerative business of Fire and Marine Insurance.

2*nd.*—Granting the option to Assurants of paying for their Life Policies by a limited number of premiums extending over five to thirty years, instead of continuing payments during the whole of lifetime; payments ceasing after the term of years arranged for has expired, but the full sum assured being paid by the Company, without deduction, should lapse of life occur before the term of years has expired.

3*rd.*—Participation in the Company's Profits to all the Assured alike, there being but one scale of premiums, and no advantage gained by one class of Assurants at the expense of another.

4*th.*—Securing to the Assured a sum of money for each premium paid, by giving a Positive Promissory Note, or fully paid-up Policy, for the proportion of the sum assured represented by the premium, free from all conditions, and payable "to bearer;" which Promissory Notes, even if future premiums are not paid, remain always in force, are payable in full at death of the Assured, or may be surrendered to the Company during his lifetime for 40 per cent. of the premiums paid.

5*th.*—Making a sure provision for the payment of claims by investing in Government Securities, in Trust with the Official Trustees in India, all the net premiums received (four-fifths of the gross premiums), and which Fund is only available for the payment of Policies, and can be used for no other purpose. Additional security to Policy-holders is afforded by the investment in Government Securities in England of 20 per cent. of the paid-up Capital of the Company to provide for any extraordinary mortality amongst the Assured, and to be drawn upon only in case of the Premium Fund failing to meet claims.

6*th.*—Exempting the sums payable under Positive Notes from Legacy Duty or other charges, neither Probate of Will, nor Letters of Administration being necessary to legalize their payment.

THE POSITIVE.

Introduces a plan of business which entirely strips Life Assurance of defective security, forfeiture of Policies, limitation of travel, and all the conditions and restrictions so long complained of. In preparing the system, the study has been to place all power over a Life Policy in the hands of the Assured instead of vesting it in the Company. The Policies of this Company are absolutely indisputable on any ground whatever, *and the Assured must receive full value for each premium paid.*

For full details, Tables of Premium, &c., reference should be made to the Prospectus, which may be had on application at the Offices of the Company, 104, CLIVE STREET, CALCUTTA.

FIRE DEPARTMENT.

UNDOUBTED SECURITY guaranteed by a large and fully subscribed Capital.
RATES OF PREMIUM based on an equitable system of Assessment. [rates.
MILLS, Bungalows, Presses, Tea Factories, and other Buildings, or their contents, insured at favourable
POLICY STAMPS paid by the Company in annual cases.
CLAIMS liberally and promptly settled.

LIFE DEPARTMENT.

MARRIED WOMEN'S PROPERTY ACT.—Policies are issued to husbands for the benefit of their wives and children, thus creating a FAMILY SETTLEMENT without trouble, expense, stamp-duty, or legal assistance, which creditors cannot touch.

THE LIFE FUNDS are invested in the names of Special Trustees as Security for Claims on this Branch and Life Policy-holders possess, in addition, the Security of the Paid-up Capital, £250,000, and the fully subscribed and uncalled Capital of £2,250,000, and the other Funds of the Company, the large extent of which will be seen on reference to the Company's printed Balance-sheet.

THE ASSURED are wholly free from liability in respect of the engagements of the Company. THE EXPENSES OF MANAGEMENT, exclusive of commission, are limited by Deed of Settlement to a moderate percentage on the premium Income. FIXED MINIMUM SURRENDER VALUES are guaranteed on ordinary whole Life Policies after three years' duration, and such guarantee is endorsed upon the Policies themselves. CLAIMS are paid one month after satisfactory proof of death, and the settlement on Indian Policies will be made at Calcutta in Rupees. *If, however, at the time of death, the English rate of premium is payable, the claim under the Policy will be paid in England in Sterling, at the fixed exchange of two Shillings per Rupee.* If death should occur within the Days of Grace and the Premium due be unpaid, the Policy will still be valid, and the sum assured paid after deduction of such premium. The importance of this last regulation is obvious.

THE RATES for every class of Life Assurance are as low as is compatible with perfect safety to the Assured.

MARINE DEPARTMENT.

Risks undertaken to all parts of the World. Tea Risks covered from the Gardens to Calcutta. Also Tea Gardens Stores upwards, on moderate terms.

HUBBUCK'S PATENT WHITE ZINC PAINT.

HUBBUCK'S PATENT WHITE ZINC LONDON
TRADE MARK.

By their process, which is patented, the Pure White Zinc Paint is the most durable and beautiful paint known, and does not stain or discolour with the London atmosphere. In all climates it is superior for the inside and outside of Houses, Iron Roofing, Ships, Lighthouses and Bridges. Each Cask of pure White Zinc Paint is stamped—"**HUBBUCK, LONDON, PATENT.**"

HUBBUCK'S PALE BOILED OIL
TRADE MARK.

THOMAS HUBBUCK & SON,

WHITE LEAD, OIL AND VARNISH WORKS, 24, LIME STREET, LONDON, E.C.

HUBBUCK'S PREPARED LIQUID PAINTS.

These Paints are packed in 1lb., 2lb., 3lb. 4lb., 7lb., and 14lb. Tins, and will be found of great advantage. Being mixed ready for immediate use, no further preparation is needed. This prevents the waste of carrying stiff Paint, Oil, Turpentine, &c.

HUBBUCK'S ANTI-CORROSIVE PAINTS.

The most valuable protection to Iron Roofs, Bridges, Piers, Ships and Buildings exposed to stormy weather and scorching sun; they soon become extremely hard, do not blister, and are very durable. They are made Stone, Slate, Copper, White, Blue, Green, or any other colour that is desired.

HUBBUCK'S ANTI-OXIDATION COMPOSITION

For Coating Iron and Wood Ships' Bottoms; a preservative against fouling or corrosion. This composition is ready for immediate use, and obviates the waste of carrying unmixed Paints, Oils, Driers, &c. It is also applicable to all the purposes of other paints.

HUBBUCK'S PALE BOILED LINSEED OIL,

Being much purer and paler than raw Linseed Oil, is the only Boiled Oil that can be used for white and delicate coloured Paints. It dries quickly and hard, never blisters, and is more durable.

Hubbuck's White Lead, Paints and Oils, Properly Packed for Exportation.

CAUTION.—Since the successful introduction of their **Pale Boiled Linseed Oil**, some dealers are selling colourable imitations as "Improved Boiled Oil," "Clear Boiled Oil," &c. These imitations are not to be depended on, and only cause disappointment and loss.

CONVICTION.—In April, 1873, a Native Dealer at Hong-Kong was prosecuted and convicted of a fraudulent imitation of Hubbuck's Name and Mark, and of placing them on some spurious goods shipped from London.

CHLORODYNE.

Dr. J. Collis Browne's CHLORODYNE.—Vice-Chancellor Sir W. Page Wood stated publicly in Court that Sir Collis Browne was undoubtedly the inventor of Chlorodyne; that the whole story of the defendant Freeman was deliberately untrue, and he regretted to say it had been sworn to. See *The Times*, July 13, 1864.

Dr. J. Collis Browne's CHLORODYNE.—The Right Hon. Earl Russell communicated to the College of Physicians and J. T. Davenport that he had received information to the effect that the only remedy of any service in Cholera was Chlorodyne. See *Lancet*, Dec. 31, 1864.

Dr. J. Collis Browne's CHLORODYNE—Extract from *Medical Times*, Jany. 12, 1866—"Is prescribed by scores of orthodox medical practitioners. Of course it would not be thus singularly popular did it not supply a want and fill a place."

Dr. J. Collis Browne's CHLORODYNE is the best and most certain remedy in COUGHS, COLDS, ASTHMA, CONSUMPTION, NEURALGIA, RHEUMATISM, etc.

Dr. J. Collis Browne's CHLORODYNE is a certain cure in CHOLERA, DYSENTERY, DIARRHŒA, COLICS, etc.

Dr. J. Collis Browne's CHLORODYNE. *EXTRACT from the* GENERAL BOARD OF HEALTH. *London, as to its efficacy in Cholera.*—"So strongly are we convinced of the immense value of this remedy, that we cannot too forcibly urge the necessity of adopting it in all cases."

From A. MONTGOMERY, Esq., *late Inspector of Hospitals, Bombay*—"Chlorodyne is a most valuable remedy in Neuralgia, Asthma, and Dysentery. To it I fairly owe my restoration to health after eighteen months' severe suffering, and when all other remedies had failed."

Dr. J. Collis Browne's CHLORODYNE. **Caution.**—None Genuine without the words "Dr. J. Collis Browne's Chlorodyne" on the Government Stamp. Overwhelming medical testimony accompanies each bottle. Sole manufacturer, J. T. DAVENPORT, 33, Great Russell Street, Bloomsbury, London. The immense demand enables the proprietors to reduce the price; it is now sold in bottles, 1*s.* 1½*d.*, 2*s.* 9*d.*, 4*s.* 6*d.*, and 11*s.*

SULPHOLINE LOTION.

A CURE FOR SKIN DISEASES.

There is scarcely any eruption but will yield to "Sulpholine" in a few days, and commence to fade away, even if seemingly past cure. Ordinary pimples, redness, blotches, scurf, roughness, vanish as if by magic; whilst old enduring skin disorders, eczema, psoriasis, rosea, prurigo, tetter, pityriasis, however deeply rooted, "Sulpholine" successfully attacks. It destroys the animalculæ which mostly cause these unsightly, irritable, painful affections, and always produces a clear, smooth, supple, healthy skin. "Sulpholine" Lotion is sold by most Chemists. *Bottles, 2s. 9d.*

PEPPER'S QUININE AND IRON TONIC,

FOR GAINING STRENGTH,

Rouses and develops the nervous energies, enriches the blood, promotes appetite, dispels languor and depression, fortifies the digestive organs. Is a specific remedy for neuralgia, indigestion, fevers, chest affections, and wasting diseases, &c. The whole frame is greatly invigorated by Pepper's Tonic, the mental faculties brightened, and the constitution greatly strengthened. *Bottles, 32 doses, 4s. 6d.* Sold by Chemists everywhere. Insist upon having Pepper's Tonic only, not that of the Chemist's own compounding.

TARAXACUM AND PODOPHYLLIN.

A LIVER MEDICINE.

In all cases of congestion or liver complaint, it sets the sluggish liver in action, moves the stomach very gently, indeed giving a sense of clearness and comfort within a few hours. The symptoms of liver derangement, headache, torpidity, costiveness, flatulence, heartburn, sense of over-repletion, shoulder-pains, repugnance to food, general discomfort and depression, are quickly dispelled by TARAXACUM and PODOPHYLLIN, a fluid extract of medical roots, prepared solely by J. Pepper, Bedford Laboratory, London. Insist on having the correct preparation. *Bottles, 2s. 9d., and 4s. 6d.* Sold by Chemists everywhere.

LOCKYER'S SULPHUR HAIR RESTORER.

THE BEST. THE SAFEST. THE CHEAPEST.

Restores the Colour to Grey Hair. Instantly stops the Hair from Fading. Occasionally used, Greyness is impossible.

If the Hair is actually Grey, the Sulphur Restorer in six or seven days effects a great alteration. By a gradual action, scarcely perceptible, several darker shades will be attained. In a period of three weeks a complete change occurs, and a colour exactly resembling that lost will become manifest.

Where the Sulphur Restorer is applied, scurf cannot exist, and a sense of cleanliness, coolness, &c. prevails. It also causes the Hair to grow wherever thin and patchy. *Sold everywhere, in large Bottles, 1s. 6d. each.* Be sure to have Lockyer's.

THE MOST

PERFECT SUBSTITUTE For MOTHER'S MILK.

The Highest Amount of Nourishment in the most Digestible and Convenient Form.

THE ONLY FOOD SPECIALLY PREPARED FOR INFANTS.

"*The Adult* CANNOT *thrive on the Milk provided for the Infant, while the food adapted for Adults* MUST *be too strong for Babes.*"

Abounding in FLESH-FORMING and BONE-FORMING substances, this FOOD perfectly fulfils its object, whereas other so-called Foods, such as Corn-Flours, being entirely devoid of nourishing properties, induce a rickety and idiotic condition. It is also carefully freed from the ground husks of the wheat, which cause irritation of the bowels, diarrhœa, &c.

CAUTION.—A Genuine Food *should not contain an excess of sugar*, NOR BE TOO PALPABLY SWEET. Such Foods may be palatable, but they are also pernicious. For this reason so-called Milk Foods, Condensed Milks, &c., are prejudicial to the health of Infants, from the large proportion of beet sugar they contain, rendering them utterly unlike the article they are supposed to represent, viz., MOTHER'S MILK.

Tins, 1s., 2s., 5s., 10s.

ASTHMA, DIFFICULT BREATHING, &c.

DATURA TATULA INHALATIONS

AFFORD THE MOST PROMPT AND EFFCTUAL RELIEF.

Spasmodic Asthma, as well as the milder forms of the disease, and other complaints attended with short and difficult breathing, loss of rest, &c., quickly yield to the soothing influence of the fumes of Datura Tatula, and painful paroxysms are either averted or quickly subdued by its use in either of the following forms:—

Cigars and Cigarettes—Boxes, 3s. 8s. 15s. Pastilles and Powder (for Non-smoker's use)—Boxes, 2s. 6d., 5s., 10s. For use as Tobacco—Tins, 2s 6d., 5s., 10s, 18s.

THE SPECIAL NUTRIMENT—PANCREATIC EMULSION—

IN CONSUMPTION,

Loss of Weight, Loss of Power to Digest and Assimilate Food and especially Fat.

"FAT IS ONE OF THE MOST ESSENTIAL ELEMENTS OF HEALTH."
Dr. DOBELL on Loss of Weight, Lung Disease, &c.

PANCREATIC EMULSION of Solid Fat "supplies the system with what it most wants, a large amount of nourishment with the least amount of digestive labour, and in a form most easily assimilated."

PANCREATIC EMULSION has been in extensive use for the last 20 years at the ROYAL HOSPITAL for DISEASES of the CHEST, LONDON, and also at many similar Public Institutions in London and the Country, as well as in private practice in all parts of the world.

"From 1863 to 1872, at the ROYAL HOSPITAL alone, I prescribed the Emulsion in more than 6,000 cases. Happily, to my own experience may now be added that of thousands of my professional brethren in different parts of the world, by whom Pancreatic Emulsion and Pancreatine are daily prescribed, and from whom I constantly receive testimony of their value."—Dr. DOBELL, *Senior Physician, Royal Hospital, &c.*

"If we are to give a fair chance of recovery to a patient deprived of the natural powers of digesting and assimilating fats, we must secure that two ounces of *solid fat* are utilized every day for the purposes of nutrition."—*The Chemist and Druggist.*

"The importance of Pancreatic Emulsion of *solid fat* over Cod Liver Oil in the treatment of consumption must be as great as that of supplying a plant with good soil instead of putting it into water."—Dr. KINKEAD, *Lic. Univ., Dublin.*

"We have lately seen a young lady who has been taking PANCREATIC EMULSION for months, and while doing so she has been changed from a a thin, nervous, desponding creature, into a plump, tolerably robust and cheerful woman."—*Dublin Quarterly Journal of Medical Science.*

"Considering how largely PANCREATIC EMULSION is now used in the wasting diseases of adults, it is not surprising that scarcely a week passes but general practitioners relate cases of its success in the wasting of delicate *children*. Certainly, of all the satisfactory effects of PANCREATIC EMULSION, none equal the almost magical recoveries of some of these children."—*The Practitioner, London.*

TESTIMONIALS.

"HENRY'S THILUM" has been used in my own family, and its use recommended by me to others. As an emollient, anodyne, and detergent application, it is one of surpassing virtue. In Rheumatic affections, its efficacy, when well rubbed in, cannot be questioned. While its fragrance effectually meets one of the greatest objections to unguents in general.

BUNMORE, BRIDGE OF ALLAN,
23rd June, 1881.

W. J. VANSOMEREN, M.D.,
Surgeon-General (Madras, retired).

I sold two pots "Thilum" the other day to a woman very bad with Erysipelas, having suffered for years, and the ointment has almost cured her. It has brought the water and matter from her face in great quantities. No doctor could cure her, and she was told it might go gradually to her brain and kill her.

HOVRE STREET, DUNEDIN, NEW ZEALAND,
4th September, 1883.

R. W. GROVE.

The "Thilum" I have used for Eruptions generally, and particularly for Malarious Eczema, from which I suffered a good deal on my right foot during 1879-80, when I was working in the Malnad country of Mysore, and found the "Thilum" very beneficial. I also used it in Burmah for the same thing with good effect.

BANGALORE, *20th August, 1883.* LOVELL POCOCK, *Topo. Survey.*

I am glad to state that I have derived the greatest benefit by using Henry's "Thilum," having suffered from a shock of Paralysis, and would strongly recommend it to all who are so afflicted.

MYSORE, *25th June, 1883.* A. GOSSMAN.

Regarding "Thilum." I have had in use for the past three years with the most satisfactory results. I have found it most efficacious for Rheumatism, Colds, Sciatica, Eczema, and can strongly recommend to those who are suffering from the above complaints.

TOUNGOO, B. BURMAH, *1st June, 1883.* M. DONOGHUE.

I have used Henry's "Thilum" for Bruises and found it very effective. My seminary boys always come for it when they have headaches, as it relieves them. It has also proved itself useful in curing soreness in the chest resulting from colds. It is a good thing to have in the house.

J. W. CONKLIN,

CHITOOR, *10th March, 1883.* *Missionary of the Arcot Mission.*

With two pots of your "Thilum" I cured a poor woman who was crippled in every limb with Rheumatism, and in whose case the ordinary medical treatment had failed to afford relief. My friends in England, to whom I sent a few pots of "Thilum," wrote me that it acted like a charm in both Neuralgia and Rheumatism.

GLENROCK, OOTACAMUND, *21st March, 1883.* J. McKENZIE.

I have found your "Thilum" satisfactory. I had been suffering, for a year-and-half, from pains in the joint of right forefinger. I applied only a pot-and-half of "Thilum" which gave a total relief. The "Thilum" is a useful medicine for Scorpion stings.

MANAPARAI, *22nd March, 1883.* O. MOOTHIA PILLAY.

I have used Henry's "Thilum" for several years, and always found it to be a most sure and certain remedy for Scorpion and Centipede stings; always affording almost instant relief, even in infants. It is also a valuable medicine for muscular pains.

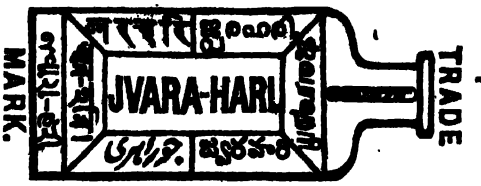
MADRAS, *8th September, 1883.* HENRY H. MILES, *Asst. Apothecary.*

Your "Thilum" is a wonderful ointment.

TENCASI, *6th January, 1882.* JAS. A. R. CLARK, *Tek. Mallay Estate.*

Permit me to add my grateful testimony to the efficacy of your valuable "Thilum." I have found it a blessing. For months I have been suffering from Acute Rheumatism, and in vain tried numerous remedies prescribed by medical men, all without relief. I had quite lost the use of my knees and arms when I commenced to use your "Thilum," and I am thankful to say I have now recovered the use of my knees, and am almost free from pains in my arms.

I have also used your "Thilum" for Sore-throats and Headaches with equal success."



BANGALORE, *28th August, 1883.* ELLEN SIMKINS.

From my own personal experience of its application, I do not think it an exaggeration to say that it is really "The Sufferer's Friend."

TESTIMONIALS.

From the Executive Engineer, Vizagapatam Division, to F. H. Bowden, Esq., Madras, No. 1422. Dated Vizagapatam Division Office, Camp Itikavalsa, 22nd October, 1883.

SIR,—As requested, I have the pleasure of sending you a copy of a letter from the Senior Medical Officer in charge of the New Potinghy Ghat Works on your "Jvara-Hari," in the treatment of Malaria Fever. The letter speaks for itself most thoroughly in favour of the specific, and after a most careful examination I can add my testimony thereto. And in fact I can state without hesitation, that I have never seen anything, in the way of medicine in fever cases, act so speedily and safely with natives; and once having taken it, they will always seek to get the same, and refuse all other remedies if they can get the "Jvara-Hari."

I remain, sir, yours faithfully,

(Signed) T. D. HARRIS, *Executive Engineer, Vizagapatam Division.*

Extract from Hospital Assistant's Letter, No. 52, dated 17th October, 1883, to the Executive Engineer, Vizagapatam Division.

I respectfully beg to report on the medicine "Jvara-Hari" supplied in the month of June, 1883, for the treatment of Malarial Fever in the D. P. W. Dispensary of Itikavalsa, as well as on the new Potinghy Ghat Works. I have the greatest pleasure to state, that I have tried it myself while I was suffering from Intermittent Fever, and on several cases of Malarial Fever, of simple Continued Remittent and Intermittent Types, while the patients were suffering from symptoms, and in the interval. It has produced a wonderful effect in checking the symptoms of hot stage, and in promoting perspiration sooner, and thereby cuts short the disease.

It has also acted as an anti-periodic in some cases without the aid of Quinine.

Since the Tincture was supplied to me, I have treated many cases of Fever with success, and found it to be a most useful and efficacious remedy, chiefly on Malarious Fever. I

therefore beg that you will be pleased to indent for some more bottles of the same, as the supply of eight dozen bottles have already been consumed by patients.

I beg to remain, &c.,

(True Extract) (Signed) A. MANICKAM,
(Signed) T. D. HARRIS, *First Class Hospital Assistant, D.P. W.,*
Executive Engineer, Vizagapatam Division. *Itikavalsa.*

"Jvara-Hari" is so efficacious in all Fevers that I now indent upon you for four dozen bottles per Value Payable Parcel. *I think there is more than magic in it.*

VIZAGAPATAM, *27th November, 1883.* G. L. NARASING ROW.

I have much pleasure in testifying to the efficacy of your "Jvara-Hari" in Continued Fevers. I have had recently two cases of Infantile Remittent Fevers, which, from the very onset, resisted all manner of treatment in the ordinary course of Diaphoretics and Anti-periodics. This method of treatment having failed, I was induced to try your "Jvara-Hari," which was done according to direction on the bottle, and to my surprise and satisfaction, after two days' use of the drug, there was a decidedly marked change in the features and character of the Fever. There was free and copious perspiration, and the pulse and temperature fell to natural standard. Nearly a week has elapsed since then, and the two young patients are progressing very favourably in health and strength. You are at liberty to make what use you wish of this letter in furthering the use and demand of your medicine in all Fever Cases.

NEW TOWN, MADRAS, *14th August, 1883.* R. STEWART, *Apothecary.*

Please send me dozen bottles of "Jvara-Harri." It is a "marvellous" cure for Fever.

IBEX COTTAGE, OOTACAMUND, *5th September, 1883.* L. W. GREY.

Your "Jvara-Hari" I used six bottles, last winter, when I was working in a very feverish part of Mysore, bordering on the Wynaad and Coorg, and found it so useful among my men, that I have recommended it strongly to all my brother Surveyors and others I have met. I found the "Jvara-Hari" act well, and stop Fever when Quinine ceased to benefit; and my men would come and ask for it, when they objected to take Quinine, on account of the head symptoms the latter seems to increase in fever.

BANGALORE, *20th August, 1883.* L. POCOCK, *Topo. Survey.*

Extract from a letter from an Engineer employed on Potinghy Ghat, Vizagapatam District.

Please send *at once* for a lot of Fever Tincture (Jvara-Hari). I brought some and gave it to the dressers, and they, although not believing in it at first, 'swear by it now they have used it.'

7th December, 1882. THOS. QUINN.

I hereby certify that "Jvara-Hari," which was received from you, is an invaluable medicine. Two or three persons, who were long suffering from fever, have been cured.

BHOPAL, *26th April, 1883.* T. C. VENCATACHELLAMIA, *Native Doctor.*

I have just to-day exhausted the bottle of "Jvara-Hari" I got from you, and have cured seven cases of Fever with it. Its effect is realy marvellous.

KULITALAI, TRICHINOPOLY DIST., P. S. GURUSAWMY
10th November, 1883. *Inspector of Police.*

I am happy to say that "Jvara-Hari" cannot be estimated here at its full value.

C. BARROW.

MARMOGA, *8th September, 1883.* *Asst. Foreman, West of Indian Ry.*

After sufficient experience, I find that your "Jvara-Hari" is a very good specific for the cure of Fever of all kinds. The name is very well applied. The six bottles I had from you are almost exhausted, and I will send for a fresh supply soon.

KANIVUR, COIMBATORE DIST., C. A. SOOBRAMANI IYAR.
15th February, 1883. *Revenue Manager.*

F. H. BOWDEN, *Henry's Thilum Office, Madras.*

The wide popularity and unqualified success that has attended the use of *Henry's "Thilum"* as a curative agent for human beings, induced several to experiment with it on horses. Amongst others who so experimented, is **Mr. H. G. Bowen,** the well-known trainer of Bangalore, who communicated the results obtained in a letter to **"The Asian,"** which appeared in the issue of that paper, dated **Calcutta, 31st July 1883,** on page **No. 127.**

At the suggestion of several who have similarly used **"Thilum,"** the proprietor of that admittedly household desideratum has been induced to prepare an ointment specially for Horses, Dogs and other animals on the basis of his *Thilum*, but stronger and with more penetrating power, to act on the tougher skins that it is intended to affect.

The result is

Extract from a letter from Mr. H. G. Bowen, dated Poonah, 11th September, 1883.

You must bring out a patent for your Ointment, I mean the last you sent me to try **(HIPPACEA).** I have been trying it on a horse that has been very lame in both his hocks from big spavins, and I have got him all right. I have also used the Ointment for a horse lame from the back tendons being sprung. No doubt the Ointment is useful in all cases of lameness.
